ORDINANCE NO. 59
Series of 2026

“AN ORDINANCE PROMOTING AND MANDATING WATER CONSERVATION AND EFFICIENT WATER MANAGEMENT PRACTICES IN THE MUNICIPALITY OF CARMEN, PROVINCE OF SURIGAO DEL SUR TO SUPPORT ENERGY CONSERVATION AND RESOURCE RESILIENCE AND FOR OTHER PURPOSES”

Author: Hon. Harvey S. Manawatao
Enacted: All Members Present

EXPLANATORY NOTE

WHEREAS, Section 16 of Republic Act No 7160 otherwise known as the Local Government Code of 1991 empowers Local Government Units to promote the general welfare of their inhabitants and ensure the efficient delivery of basic services;

WHEREAS, the on- going global energy crisis has underscored the interconnectedness of essential resources where the pumping and distribution of water by the Local Water Utilities Administration (LWUA) run by power utilities and majority of the Carmen household used pressured pump for their daily water consumption;

WHEREAS, efficient water management and conservation practices directly contribute to reducing electricity demand on water utility operations, thereby supporting the municipality’s overall energy conservation efforts;

WHEREAS, prudent water management and conservation measures serve as effective strategies to reduce energy consumption, lower operational costs and mitigate the adverse impact of both the drought and the energy crisis;

WHEREAS, water and energy are intrinsically linked as substantial amounts of electricity are required for the extraction, treatment, distribution and heating of water creating a direct dependency between water availability and energy security;

WHEREAS, the current global and local crisis has led to increased demand, supply shortages and rising costs placing immense strain on power generation facilities that also rely on adequate water levels to operate efficiently;

WHEREAS, reduced water levels in dams and reservoirs directly impair hydroelectric power generation capabilities further exacerbating the shortage of energy supply and increasing reliance on more expensive fuel sources;

WHEREAS, the combined effects on climate variability and energy instability necessitate urgent and coordinated action to ensure the sustainability of both resources and to prevent service interruptions;

BE IT ORDAINED, by the Sangguniang Bayan of Carmen, Surigao del Sur in Regular Session assembled, that:

SECTION 1. Short Title- This Ordinance shall be known as the **MUNICIPAL WATER CONSERVATION AND EFFICIENT MANAGEMENT ORDINANCE**.

SECTION 2.
